Zonta Club of Joliet

Dear Community Partner,

For the past 22 years, Will County Take Back the Night has been a leader in our community to call for an end to violence against women. We rely on generous donations from sponsors like you to continue this mission.

We invite you to join us at the 2018 Will County Take Back the Night rally, which will take place on Thursday, October 4, 2018, at 5:00 p.m. at Joliet Central High School in the new student center. Our guest speaker will be Romeoville resident Alicia Guerrero, whose daughter Briana Valle was stalked and murdered by an abusive ex-boyfriend in 2014. After hearing Alicia's story, we will host a candlelight vigil and march to honor the Will County women and children who have been murdered over the past decade. Community organizations will be there with resources and information available to help victims and their families.

In addition to the rally, Will County Take Back the Night also hosts educational programs for high school students, awards an annual \$1,000 scholarship to a survivor of intimate partner abuse, and last year granted over \$7,750 to local nonprofit agencies that work directly with women, children and families whose lives have been affected by violence. Sponsorship donations allow our organization to cover the costs of these important programs.

Your support is needed more than ever to help us get our message out. Please support Will County Take Back the Night by committing to a sponsorship level listed on page 2.

For more information about the event or to make an online donation, visit www.WillTBTN.com, or contact Jean Terdic at 630-435-6454 ext. 1165 or jterdic@360youthservices.org. We look forward to a partnership of awareness and caring.

With appreciation,

The 2018 Will County Take Back the Night Steering Committee
